

RYC Foundation

2021 General Fund Support

We're back! Well, we really never left, but "normal" (although it may have to be redefined somewhat) is getting closer.

Although there have been some notable cancellations, regattas all over the country and world are coming back on line, and our grantees are competing! Here's where they sailed in the last 12 months:

- Skiff Generation ##4, 6 and 7 (29ers) at Miami, FL;
- 29er Midwinters East at Miami, FL;
- 29er World Championship at Valencia, Spain;
- Sears Cup Finals at Marblehead, MA;
- Buccaneer Blast Regatta (Optis) at Key Largo, FL;
- Sunshine State Championship Regatta (Optis) at Jensen Beach, FL;
- Gulf Coast Championships (Optis) at Fairhope, AL;
- USODA Team Trials (Optis) at Seabrook, TX;
- International Opti Regatta at St. Thomas, USVI;
- USODA Nationals (Optis) at Norfolk, VA;
- USODA Nationals Team Race (Optis) at Hampton, VA;
- USODA New England (Optis) at Newport, RI;
- Rose Cup US Youth Match Racing Championship (Sonars) at Rochester, NY;
- Governor's Cup International Youth Match Racing Regatta (Governor's Cup 22s) at Corona Del Mar, CA;
- Oakcliff Halloween Invitational Match Racing Regatta (Swedish Match 40s) at Oyster Bay, NY;
- Miami US Sailing Open (Nacra 17s) at Miami, FL;
- Long Beach US Sailing Open (Nacra 17s) at Long Beach, CA;
- 2021 49er FX Worlds at the Sultanate of Oman.

In addition, we continue to provide support to the two teams with Bay Area/RYC connections working towards the 2024 Paris Olympics (David and Sarah in the foiling Nacra 17, and Lucy and Erika in the 49er FX) as they continue to train hard in various locales in the States and abroad to get more international experience.

A reminder: These two Olympic team hopefuls have special campaign accounts, and we have others as well, to which you can make targeted donations. Please check the Donations page on the RYCF portion of the RYC website for details on all of them.
